

SATURDAY: Mississippi Science Fest @ MMNS

INSTRUCTIONS: Each square represents an exhibitor station. As you complete an activity, the exhibitor will stamp your square. Once this card is full, all activities at MMNS are completed. If an activity is **BLUE**, it is related to the LOVE it, SAVE it, SHARE it, & WOW awards of the Girl Scout "It's Your Planet, Love it," Leadership Journey. Girl Scouts that do 7 of 10 **BLUE** activities have met award needs. Award patches can be purchased at Girl Scouts of Greater Mississippi.

All stations run 9am-4pm, unless otherwise noted.
To find an activity's location, (EX: NASA)—flip this card over.

Mississippi Science Fest (MSF) participants receive an admission wristband. Show the wristband to use the bus and visit all MSF Museums.

In the event of rain, outside stations will shut down temporarily.

<p>Incredible Journey 9 am - 12 pm, 1:30 pm - 4 pm</p>	<p>Migration</p>	<p>ENERGY</p>	<p>Blue Planet/ Water Pledge</p>	<p>W. Jackson STEAM Collaborative & MS STEM Institute</p>
