

# HARVEST-REPORTING MANDATORY FOR ALL TURKEY HUNTERS

By reporting your turkey harvests, you will aid the future of wild turkey conservation in Mississippi. Reporting through the MDWFP Game Check system is quick and easy, and it will be **MANDATORY** for **ALL TURKEY HUNTERS**. The basics of Game Check are outlined below.

## STEP BEFORE YOU GO HUNTING

**1**

Obtain a hunting license (unless exempt) and harvest record. Two types of harvest records are acceptable, a digital record or a printed form. Digital record keeping may be done through the Game Check feature found within the free MDWFP app. Register in the app and it will be your official harvest record. If you prefer a printed form, the form below will suffice.

## STEP WHEN YOU HARVEST A TURKEY

**2**

The reporting process must begin **BEFORE** you move the turkey from its harvest location. Using the Game Check feature, click the REPORT TURKEY button and complete and submit an entry. If there is no cellular coverage where you hunt, the app will automatically upload your harvest when coverage resumes. Using the printed form method, notch the corresponding month bubbles.

## STEP AFTER YOUR HUNT

**3**

Using the Game Check feature, you have no additional requirements. Using the printed form, you must report the harvest through the MDWFP website or by calling 1-800-BE-SMART before 10 p.m. on the day of harvest.

### THERE ARE THREE WAYS TO REPORT:

- 1: MDWFP app
- 2: Online at [mdwfp.com/gamecheck](http://mdwfp.com/gamecheck)
- 3: Call 1-800-BE-SMART

Once you complete the harvest-reporting process, you will receive a confirmation number. This number must be documented on the harvest record.

**Instructions:** All hunters must have a current harvest record in their possession while turkey hunting. If you are using the MDWFP app to report your harvest you do not need this form. Before moving a turkey from the point of harvest, hunters should document the harvest using the MDWFP app or on their harvest record. To document a harvest on this form, punch out the appropriate bubbles for month and date. Hunters must report their harvest by 10 p.m. on the day of harvest. Harvests can be reported via the MDWFP app, MDWFP website, or by calling 1-800-BE-SMART. Once the harvest has been reported, record the corresponding confirmation number on the appropriate line of the harvest record.
