I, _____ the undersigned, residing at the above address, do hereby make application for a permit to train bird dogs through the use of release of pens and tamed and identified quail.

I understand that this permit shall not be construed to authorize the carrying of a gun while working dogs on wild quail during the closed season, or on wild quail from May 1st to September 1st, inclusive.

I further understand that only after permission and proper identification by dye or leg bands, tamed quail may be possessed, released, hunted, shot and killed or retaken for shoot-to-kill field trial and dog training activities using release or capture pens during any season of the year. The permit or permit number will be attached at all times to each release or capture pen.

List localities where you desire to work dogs and/or quail in training:

In accordance with Section 49-7-42 of the Mississippi Code, attached is a certified check, money order or draft in the amount of \$6.49.

I certify that the above answers are correct and agree, if a permit is issued to me, to comply with all the provisions of the Mississippi Department of Wildlife, Fisheries, and Parks laws and regulations pertaining thereto.

TAMED QUAIL SHOOTING DOG TRAINING PERMIT REGULATIONS

1. Upon written application, any individual or organized shooting dog training field trial association or group may obtain a Tamed Quail Shooting Dog Training Permit.
2. Said permit shall be issued for a period of one year upon payment of a fee of \$6.49.
3. The permit or permit number shall be attached at all times to each release or capture pen, and all tamed quail so used shall be identified through the use of leg brands or dye on the wing or wings of each released bird.
4. When so permitted and identified by dye or leg brands, tamed quail may be possessed, released, hunted, shot and killed or retaken for shoot-to-kill field trial and dog training activities using release or capture pens during any season of the year.
5. No Tamed Quail Shooting Dog Training Permit shall authorize or extend the statutory season for operation of licensed private or commercial shooting preserves except for bona fide bird dogs training operations as permitted under these regulations.
6. Professional dog trainers shall be required to obtain a Tamed Quail Shooting Dog Training Permit whenever it is anticipated that any tamed and marked quail are to be shot during the progress of any dog training activities in compliance with these regulations.
